# Dave Hardy and Siebren Versteeg: *Spirit Tours* 11

“ Our kind of art installation: one governed by the mysticism of tarot! It's true, Recess' newest resident artists, Dave Hardy and Siebren Versteeg, are undertaking an evolving sculpture project starting Saturday the 17th (at 2 o'clock in the morning, no less), which will be guided throughout by the premonitions of virtual tarot-card readings from a giant skull (oh yes). We're hoping for some serious Mrs. Winchester sh\*t, as that grand dame was the queen of building in the name of spirits. See for yourself what materializes, all the way till early September. ”
