### [Malik Gaines and Alexandro Segade](#): 24 Hour Ballad

The LA-based performance trio/band "[My Barbarian](#)" has been staging fantasy/camp performances all over the place since the nineties. If you like DIY art-making with a focus on play—[dressing up like Socialist mermaids](#) on the edge of the Hirschhorn fountain, for example—then you'll jump on the opportunity to see two out of three of them perform. As part of their Recess residency, Malik Gaines and Alexandro Segade will improvise a narrative folk ballad in a 24-hour marathon collaboration with artists and musicians.
