TIME LightBox presents a new monthly round-up of the best books, exhibitions and ways to experience photography beyond the web—from Charles Fréger's folkloric *Wilder Mann* at the Gallery at Hermes to the monumental exhibit *WAR/PHOTOGRAPHY: Images of Armed Conflict and Its Aftermath* at the Annenberg Space for Photography, Los Angeles, and Sebastião Salgado's epic book *Genesis*, to the Deutsche Börse Photography Prize at London's Photographers' Gallery.

'The Guide' on LightBox will be published monthly. If you have submissions or suggestions for upcoming round-ups of the best books and exhibitions, feel free to pass them along via email before April 25, 2013. We'll also be updating this gallery throughout the month.
